Volunteer Needed

Palmyra First is in need of a volunteer to manage the door locks and key fobs when we have services and events scheduled. Our current volunteer will no longer be available and he can easily show you how to set the dates and times to lock/unlock the doors. You just need to know how to operate the computer. If you are interested, please let Pastor Jim know.

Live-Casts of Worship

As you likely know, *Palmyra First Church* live-casts our services on our website and *YouTube*. We can always use new people to learn the equipment, so we have folks available to operate the camera, the sound system, and the projection of words on the screen. We also need volunteers to monitor the comments sections so prayer requests can be relayed to the pastor.

Our existing volunteers will be happy to show you the ropes and explain the procedures, so consider joining the crew in the balcony and take the word of God to the world at large. We need help not only on Sunday morning, but for the occasional night services as well as funerals when live-casting is requested.
